Inspiring Young Minds

VOLUME : 04

ISSUE : 01

Half-Yearly Edition: June 2025

**DEPARTMENT OF**  
**TECHNICAL EDUCATION**  
GOVERNMENT OF ANDHRA PRADESH

## Message by the Principal

Polytechnics play a vital role in nurturing young minds and shaping them into skilled engineers who contribute to the technological progress of society. At Government Polytechnic, Pillaripattu, we take pride in preparing students in Computer, Electronics, Mechanical, and Civil Engineering to excel not only at the production and supervisory levels but also in managerial roles. This is made possible through their strong practical skills and dedicated hard work.

**Sri. S.V. KUMAR, M.TECH.,  
PRINCIPAL.**

Life is not merely a set of instructions—it is a journey of experiences and learning. Engineering, too, is no exception. This is where Government Polytechnic, Pillaripattu makes a difference. Here, learning is not confined to classrooms; it is a passion that drives both students and faculty.

In the face of today's global competition, it is essential to approach challenges with an engineer's perspective—combining knowledge, creativity, and resources to achieve excellence. Polytechnic education offers students countless opportunities to prove themselves, innovate, and serve society for its growth and betterment.

We wish all our students the very best for a bright and successful future!

### Editorial Committee

Sri. V.S. Dinesh, Lecturer in CME.

Ms. A. Jemimah, Lecturer in English.

Smt. G. Jyothi Lakshmi, Librarian.

## Campus Placement Highlights

- Greentech Placement Drive
- INDO MIM Mechanical Recruitments
- Amara Raja Group Selection
- Aaviza Electronics
- Job Achievers Day

## Campus Life & Celebrations

- Sankranti Festival
- Republic Day Commemoration
- International Women's Day Celebration
- Alumni Meet
- Farewell Celebration

## Student Well-being & Community

- National Deworming Day
- Eagle Club: Wellness Session
- Swachha Andhra Swarna Andhra Initiatives
- Cleanliness Drives
- Tree Plantation Projects
- Climate Resilience Workshops
- Water Conservation & Heat Solutions
- Plastic-Free Awareness

## Corporate Social Responsibility

- IMOP Pvt. Ltd. Computer Systems Donation
- ISUZU Motors: Engineering Motors Contribution

## Honoring Great Leaders

- Babu Jagjeevan Ram Jayanthi
- Dr. B.R. Ambedkar Jayanthi

## Health, Wellness & Sustainability

- International Yoga Day
- Ongoing Swachha Andhra Clean Campus Programs

# January Placement Drives: Opening Doors to Opportunity

The start of the new year brought significant career opportunities for our students, with two major placement drives held on January 2nd & 3rd, 2025. These events underscored our commitment to connecting students with leading industries and facilitating their transition into professional roles.

## ✔ Greentech Placement Drive

In a major collaboration, Greentech organized a campus placement drive that attracted a broad spectrum of talent. Students from Computer, Electronics, Electrical, and Mechanical Engineering branches participated, engaging with Greentech's representatives to explore diverse roles within their innovative and sustainable operations.

This drive provided an invaluable platform for students to demonstrate their technical acumen, problem-solving skills, and readiness for the industry. The interaction with Greentech professionals offered insights into current industry trends and expectations, preparing our students for a competitive job market.

## ℹ INDO MIM Recruitment Drive

Simultaneously, INDO MIM conducted a specialized placement drive exclusively for our Mechanical Engineering students. Known for their advanced manufacturing capabilities, INDO MIM sought out bright minds eager to contribute to cutting-edge industrial processes.

The event encouraged students to think innovatively about manufacturing challenges and presented unique opportunities in areas like precision engineering and materials science. Participants gained firsthand knowledge of INDO MIM's operations and the career paths available within their organization.

Both drives were highly successful, reinforcing our strong industry partnerships and our dedication to securing promising futures for our graduates.

# Festive Vibrancy: Sankranti Celebrations 2025

## Harvesting Joy and Tradition on Campus

On January 9th, 2025, our campus was transformed into a kaleidoscope of colors and sounds, as students and staff came together to celebrate Sankranti with immense enthusiasm. This cherished harvest festival, deeply rooted in cultural significance, was observed with a rich tapestry of traditional events and vibrant decorations.

"The energy on campus during Sankranti was truly palpable. It was wonderful to see everyone participate so wholeheartedly, embracing our traditions and creating beautiful memories together."

The celebrations featured a variety of cultural programs, including traditional folk dances, music performances, and engaging games that highlighted the spirit of community and shared heritage. The campus adorned festive decorations, symbolizing prosperity and renewal, further enriching the celebratory atmosphere.

This annual event serves as a vital reminder of our rich cultural roots and provides a wonderful opportunity for the entire campus community to bond, celebrate, and reflect on the abundance of the season.

# Republic Day: A Tribute to National Values

On **January 26th, 2025**, our campus united in a powerful display of national pride to observe **Republic Day**. The event was marked by a profound sense of patriotism and a reaffirmation of the core values that define our nation.

The day commenced with the solemn flag hoisting ceremony, where the national flag was **unfurled** with immense pride, accompanied by the resonant notes of the national anthem. This pivotal moment served as a poignant reminder of the sacrifices and vision of our founding fathers.

Following the hoisting, a series of speeches by faculty and student representatives highlighted the historical significance of Republic Day, emphasizing the principles of democracy, justice, liberty, equality, and fraternity enshrined in the Indian Constitution. These addresses inspired attendees to uphold these values in their daily lives.

## Patriotic Fervor

The campus was imbued with a deep sense of national pride, with vibrant decorations and an atmosphere of unity.

## Inspiring Speeches

Addresses from leaders and students resonated with themes of democracy and national service, reminding everyone of their civic duties.

## Honouring Talents

Distributed prizes and medals to the participants and winners of the District Meet Sports and Games, polytech fest, academic toppers, as well as the events conducted during Sankranti celebrations.

The celebrations culminated in a powerful reminder for everyone to contribute actively towards building a stronger, more inclusive, and prosperous nation.

# Prioritizing Student Well-being: Deworming Day 2025

On February 10th, 2025, our campus actively participated in the **National Deworming Day** initiative, demonstrating our unwavering commitment to the health and well-being of our students. This program is a crucial component of national public health efforts aimed at preventing parasitic infections and promoting overall student health.

The Deworming Day activities included the safe administration of deworming medication to students, ensuring compliance with national health guidelines. This preventive measure is vital for reducing the prevalence of soil-transmitted helminth infections, which can impact children's nutritional status, cognitive development, and school attendance.

Beyond the administration of medication, the event placed a strong emphasis on **health awareness and education**. Interactive sessions were organized throughout the day, led by health professionals, to educate students on the importance of:

- Maintaining personal hygiene, including regular handwashing.
- Consuming safe and clean drinking water.
- Ensuring proper sanitation practices within the campus and at home.
- Understanding the benefits of deworming for long-term health.

"Our commitment to student success extends beyond academics to their physical well-being. Deworming Day is a vital step in ensuring a healthy learning environment for all."

# February Placement Drive: Amara Raja's Vision for Talent

Expanding on our successful run of career-building events, the month of February kicked off with another significant placement opportunity. On February 11th, 2025, Amara Raja, a prominent industry leader, visited our campus to conduct a comprehensive placement drive.

This drive was meticulously designed to identify and recruit top talent from across multiple engineering disciplines. Students from Computer, Electronics, Electrical, and Mechanical Engineering branches were invited to participate, reflecting Amara Raja's diverse talent needs and our institution's broad capabilities.

Amara Raja's recruiters engaged with students through various stages of the selection process, including written tests, group discussions, and personal interviews. They provided valuable insights into the company's culture and future growth prospects, particularly highlighting the critical importance of **innovation and adaptability** in today's rapidly evolving job market.

The event was a significant success, fostering strong connections between our talented students and a leading industry player, and further solidifying our reputation as a source of highly skilled graduates.

# Community Engagement: Swachha Andhra Swarna Andhra Program

On February 15th, 2025, our students demonstrated their commitment to civic responsibility by actively participating in the Swachh Andhra Swarna Andhra initiative. This program, focused on cleanliness and environmental awareness, resonated deeply with our institutional values of fostering responsible citizens.

- **Campus Clean-up Drives:** Students organized and executed thorough clean-up operations within the campus premises, ensuring a pristine and hygienic environment.
- **Local Community Outreach:** Extending their efforts beyond the campus, students engaged with local communities to spread awareness about waste management, recycling, and maintaining public hygiene.
- **Tree Plantation Drives:** As part of the green initiative, students participated in planting saplings, contributing to the ecological balance and enhancing the campus's green cover.

"Participating in Swachh Andhra Swarna Andhra was an eye-opening experience. It taught us the real impact of collective effort and instilled a sense of pride in contributing to a cleaner, healthier society."

The program successfully instilled a profound sense of responsibility towards society and the environment among our students, equipping them with the knowledge and motivation to become proactive agents of change in their communities.

# Eagle Club Activity: Promoting Healthy Habits

On February 20th, 2025, the Eagle Club organized a pivotal activity session aimed at fostering healthy habits and deterring students from engaging in detrimental behaviors. This initiative underscores our institution's dedication to the holistic well-being and responsible development of our student community.

## వ్యసనాలకు బానిసలు కావద్దు

పుత్తూరు: విద్యార్థులు వ్యసనాలకు బానిసలు కారాదని, వాటికి దూరంగా ఉండాలని కేసీసీ కళాశాల ప్రెసిన్సిపాల్ రాజేంద్రప్రసాద్ అన్నారు. 'విద్యార్థులకు మత్తు పదార్థాలు-ప్రమాదకరం' అనే అంశంపై గురువారం సానిక విజ్ఞానిపట్టు ప్రభుత్వ పాలిటెక్నిక్ కాలేజీలో కేసీసీ కళాశాలకు చెందిన ఎలైట్ యూంట్-నార్కొటిక్స్ గ్రూప్ ఫర్ లా ఎస్ఫోర్స్ మెంట్ (ఈవిజిఎల్ఈ) క్లబ్ ఆధ్వర్యంలో ఆహూహన సదస్సు నిర్వహించారు. రాజేంద్రప్రసాద్ మాట్లాడుతూ మాదక ద్రవ్యాల వాడకం నేర ప్రవృత్తిని ప్రేరేపిస్తుందన్నారు. మత్తు పదార్థాలకు బానిసైతే విలువైన జీవితం చిద్రం ఆవుతుందన్నారు. బాల నేరస్థుల చట్టాలు, శిక్షలపై అవగాహన కల్పించారు. ఇటీవల కాలంలో చాలా మంది విద్యార్థులు తెలిసీ తెలియక కేసీసీ నేరాలకు కోర్టుల మట్టా తిరుగుతున్నారని, ఆ పరిస్థితికి దురస్థాననాలే కారణమన్నారు. కార్యక్రమంలో కళాశాల ప్రెసిన్సిపాల్ ఎస్వీకుమార్, అధ్యాపకులు, విద్యార్థులు పాల్గొన్నారు.

21/02/2025 | Chittoor(Nagari) | Page : 9  
Source : <https://epaper.sakshi.com/>

The session featured a compelling address by Sri Rajendra Prasad garu, the esteemed Principal of KKC College and Chairman of the Elite and Narcotics Group for Law Enforcement. Sri Rajendra Prasad garu provided crucial instructions and insights, meticulously outlining the severe problems and long-term consequences associated with the usage of narcotics and other harmful substances.

"Education and awareness are our strongest tools in building a generation resilient to the challenges of addiction. By empowering our students with knowledge, we equip them to make informed choices for a brighter future."

The event saw enthusiastic participation from a large number of students, reflecting a strong spirit of collaboration and a genuine desire for learning and self-improvement. Through interactive discussions and a clear, emphatic message, the session successfully resonated with the attendees, reinforcing the importance of making positive lifestyle choices.

## Enhanced Awareness

Students gained critical knowledge about the dangers and societal impact of drug abuse.

## Preventive Education

The session empowered students with strategies to resist peer pressure and make healthy choices.

## Community Engagement

Fostering a collective commitment towards a drug-free campus and broader community.

# Electronics Engineering: Aaviza Electronics Placement Drive

On February 25th, 2025, our Electronics Engineering students were presented with a unique and exciting opportunity through a dedicated placement drive hosted by **Aaviza Electronics**. This event specifically targeted students poised to make significant contributions to the rapidly evolving world of electronics innovation.

Aaviza Electronics, a renowned name in the industry, sought out bright and talented individuals capable of driving forward their cutting-edge projects and industrial solutions. The drive offered a direct pathway for our aspiring engineers to step into roles at the forefront of technological advancement.

The selection process included technical assessments and interviews designed to evaluate students' conceptual understanding, practical skills, and problem-solving capabilities in areas such as:

- Circuit design and analysis
- Embedded systems and IoT solutions
- Power electronics and control systems
- Manufacturing and quality assurance in electronics

The interaction with Aaviza representatives provided students with invaluable insights into industry expectations, technological trends, and the dynamic nature of the electronics sector. It was an inspiring event that motivated students to pursue their passions in engineering with renewed vigor.

This specialized drive underscores our commitment to providing tailored career opportunities that align with the specific expertise of our diverse student body, fostering their growth into skilled professionals ready to contribute to the global electronics landscape.

# IMOP Pvt. Ltd. CSR Initiative

The month of February concluded with a significant development for our digital learning infrastructure, thanks to the generous support from IMOP Pvt. Ltd. On February 28th, 2025, officials from IMOP Pvt. Ltd. visited our Polytechnic to formalize their commitment under their Corporate Social Responsibility (CSR) initiative.

## A Generous Contribution

# ₹7.5 Lakhs

pledged in the form of state-of-the-art computer systems to significantly enhance our digital learning resources.

This substantial funding, valued at approximately ₹7.5 lakhs, will directly translate into the acquisition of new computer systems, critical for modernizing our laboratories and facilitating advanced digital education. The initiative reflects IMOP Pvt. Ltd.'s dedication to community development and their belief in the transformative power of education.

The contribution will specifically benefit students across all disciplines by providing access to:

- **Enhanced Computing Power:** Newer systems will allow for more complex simulations, advanced software applications, and data analysis crucial for engineering and technology fields.
- **Improved Accessibility:** Increased number of workstations will ensure that more students have access to essential digital tools and resources for their academic projects and research.
- **Future-Ready Learning:** The upgraded infrastructure will support emerging technologies and pedagogical methods, preparing students for the demands of the digital age workforce.

"We are incredibly grateful to IMOP Pvt. Ltd. for their profound generosity. This CSR initiative is a testament to their vision and commitment to fostering a digitally empowered generation. These new systems will undoubtedly elevate the learning experience for our students."

# Nostalgia and New Beginnings: Alumni Meet & Farewell Day

## Alumni Meet – March 5, 2025

The annual Alumni Meet provided a cherished platform for former students to reconnect with their alma mater and each other. The air was filled with nostalgic laughter and shared memories as alumni from various batches gathered to reminisce about their college days. A keynote session featured prominent alumni sharing their diverse career journeys, offering invaluable insights and inspiration to current students. These stories of perseverance and success served to strengthen the enduring bond between generations of our academic family.

## Farewell Day Celebrations – March 7, 2025

A heartfelt Farewell Day celebrated the graduating batch, marking a poignant transition from student life to future endeavors. The event was a blend of emotional speeches, vibrant cultural performances showcasing student talent, and encouraging words from faculty members. Each speech emphasized the achievements of the outgoing students and offered sincere wishes for their continued success and well-being. It was a day to cherish memories, express gratitude, and look forward to new horizons.

సమ్మేళనంలో విద్యార్థులు, అధ్యాపకులు

పుట్టూరు: మండలంలోని పిల్లారిపట్టు ప్రభుత్వ పాలిటెక్నిక్ కళాశాలలో ప్రీస్నిపల్ ఎస్.వి కుమార్ అధ్యక్షంలో మెకానికల్ ఇంజనీరింగ్ విభాగాధిపతి కిషోర్ కుమార్, అధ్యాపకుల బృందం సారథ్యంలో మెకానికల్ ఇంజనీరింగ్ విద్యార్థుల సమ్మేళనం నిర్వహించారు. సోమవారం నిర్వహించిన ఈ సమ్మేళనంలో ప్రీస్నిపల్ మాట్లాడుతూ 2008 నుంచి 2021 వరకు పాలిటెక్నిక్ చదువుకున్న మెకానికల్ విద్యార్థులు కొత్త కళాశాల వేదికగా కలుసుకున్నారని చెప్పారు. నగరి డిగ్రీ కళాశాల సరిపడా తరగతి గదులు లేక మధ్యాహ్నం నుంచి తరగతి గదులు నిర్వహించినట్లు గుర్తుచేసుకున్నారు. బెంగళూరు లోని సమయంలో మన కళాశాలలో పనిచేస్తున్న సీనియర్ ఇన్స్పెక్టర్లు విరాళంగా బెంచీలు తయారు చేసి ఇచ్చారన్నారు. ఈ కార్యక్రమాన్ని ప్రతి ఏటా నిర్వహించాలని ఆకాంక్షించారు. వక్రలు మాట్లాడుతూ కళాశాల పిల్లారిపట్టులో ఏర్పాటు చేయడానికి కృషిచేసిన అధ్యాపకులు భార్య, కిషోర్ కుమార్ ను కొనియాడారు. పూర్వ విద్యార్థులు అప్పటి అనుభవాలను గుర్తుచేసుకుంటూ అధ్యాపకులను సన్మానించి జ్ఞాపికలను అందించారు. ఈ కార్యక్రమంలో ముఖ్య అధితులుగా వివిధ కళాశాల నుంచి అధ్యాపకులు కె.వేణుగోపాల్, యస్ యమ్ ముత్తుకుమార్, శరత్, రామచంద్ర బాబు, హరిప్రసాద్, వేలాయుధదారి, సుగుణ, ఏ.ఓ. హనుమంత రావు పాల్గొన్నారు.

# Celebrating Women: Empowering the Future

March 8, 2025

## Formal Inauguration

Faculty members highlighted the significance of International Women's Day and celebrated the remarkable progress made toward gender equality in our society.

## Inspiring Talks

Faculty members delivered motivational talks emphasizing women's vital contributions in technical education, innovation, and nation-building.

## Honoring Achievements

The celebration recognized and honored women achievers across various fields, showcasing their remarkable contributions to society, technology, and education. These inspiring examples serve as beacons of hope and motivation for future generations.

## Promoting Inclusivity

A collective pledge was taken to promote inclusivity, respect, and equal opportunities for women in all spheres of life. This commitment extends beyond the celebration to everyday actions and decisions in our academic and professional environments.

## Carrying Forward the Message

The event concluded with a powerful reminder for every student to carry forward the message of empowerment and equality in their personal and professional journeys, ensuring that the spirit of International Women's Day lives on throughout the year.

# Continued Progress: Swachha Andhra Swarna Andhra Program

On March 15, 2025, our institution proudly participated in the ongoing 'Swachha Andhra Swarna Andhra' program, a state-wide initiative dedicated to fostering cleanliness, hygiene, and environmental consciousness. This significant event underscored our commitment to sustainable practices and community well-being, aligning with the broader vision of a cleaner and greener Andhra Pradesh.

The core focus of our participation this year was a targeted campaign against single-use plastics and a strong advocacy for reusable alternatives. Through interactive sessions and community outreach, students, faculty, and staff collaborated to raise awareness about the detrimental impact of plastic pollution on our environment and ecosystem. We emphasized simple yet effective actions that individuals can take to make a collective difference.

## Avoid Single-Use Plastics

Educating on the harm caused by disposable plastics and encouraging alternatives.

## Promote Reusables

Advocating for reusable bags, bottles, and containers to reduce waste.

## Community Engagement

Organizing campus clean-ups and interactive workshops for practical application.

This initiative not only reinforced responsible environmental habits but also fostered a sense of collective responsibility among our community members. Our efforts contributed directly to the larger state goal of achieving a 'Golden Andhra' through sustained progress in cleanliness and sustainability.

# Celebrating Success: Job Achievers Day

Job Achievers Day, held on March 25, 2025, was a momentous occasion dedicated to celebrating the remarkable achievements of our students who secured placements in leading companies. The campus buzzed with excitement and pride as we honored the hard work, perseverance, and determination that culminated in their successful career launches.

The program featured inspiring testimonials from the job achievers themselves, who shared their preparation strategies, interview experiences, and valuable advice with their peers. Faculty members and department heads also extended their congratulations, highlighting the quality of education and training provided by the institution that enabled these successes. This event not only recognized individual accomplishments but also served as a powerful source of motivation for other students, encouraging them to strive for excellence and pursue their career aspirations with renewed vigor.

# Honoring Legacies: Babu Jagjeevan Ram & Dr. B.R. Ambedkar Jayanathi

**Babu Jagjeevan Ram Jayanathi – April 4, 2025**

The campus respectfully observed the birth anniversary of Babu Jagjeevan Ram, a towering figure and social reformer whose contributions to Indian society are immeasurable. Students and staff gathered to reflect on his unwavering commitment to social justice, equality, and the upliftment of marginalized communities. Discussions and presentations highlighted his pioneering work in various fields, from labor rights to agriculture, emphasizing his vision for an inclusive and equitable society. His legacy continues to inspire generations to strive for a more just world.

**Dr. B.R. Ambedkar Jayanathi – April 14, 2025**

Our campus commemorated Dr. B.R. Ambedkar Jayanathi, paying tribute to the principal architect of the Indian Constitution and a champion of human rights. The day was marked by various programs designed to highlight his profound vision for education, equality, and the empowerment of all citizens. Seminars, debates, and cultural performances explored his philosophical contributions and his relentless fight against social discrimination. This observance served as a powerful reminder of the ongoing journey towards realizing his dream of a society founded on liberty, equality, and fraternity.

# Continued Progress: Swachha Andhra Swarna Andhra Program

## Community Engagement

Students actively engaged in promoting environmental awareness.

## Cleanliness Drives

Successful campus-wide clean-ups enhancing our environment.

## Civic Responsibility

Fostering a sense of shared responsibility for our surroundings.

The momentum of the Swachh Andhra Swarna Andhra campaign continued with another highly successful round held on **April 19, 2025**. This recurring initiative reinforces our institution's dedication to creating a cleaner, greener, and more sustainable campus environment.

Once again, our proactive students took the lead, organizing and participating in a series of activities aimed at promoting both cleanliness and civic responsibility. From organized waste segregation drives to informative sessions on eco-friendly practices, their efforts were commendable. These programs not only resulted in a visibly cleaner campus but also ingrained crucial values of environmental consciousness and active citizenship within the student body. The collective participation highlights our community's shared commitment to these vital causes.

# Swachha Andhra Swarna Andhra Program: Beating the Summer Heat

Continuing our steadfast dedication to environmental well-being, the campus enthusiastically participated in another impactful Swachh Andhra Swarna Andhra Program on May 17, 2025. This edition was specifically tailored to address the challenges of the escalating summer heat and foster practices that contribute to a cooler, more resilient environment within our community.

Students, faculty, and staff collaborated in a range of activities designed to raise awareness about climate change, water conservation, and sustainable living during warmer months. The initiative served as a practical demonstration of our collective responsibility towards mitigating environmental impacts and ensuring a healthier future for all.

## Tree Plantation Drive

Planting saplings to increase green cover and provide natural shade.

## Water Conservation Awareness

Promoting efficient water usage and rainwater harvesting techniques.

## Energy Efficiency Workshops

Educating on reducing energy consumption to lessen heat generation.

## Climate Resilience Campaign

Raising awareness about climate change impacts and adaptive strategies.

The success of this program underscores the unwavering commitment of our institution to fostering environmental stewardship and equipping our community with the knowledge and tools to face ecological challenges. These sustained efforts are vital in cultivating a campus culture that prioritizes sustainability and proactive climate action.

# Holistic Well-being: International Yoga Day & Swatch Andhra – Swarna Andhra

**International Yoga Day  
June 21, 2025**

Our campus celebrated International Yoga Day with enthusiasm, embracing the ancient practice for holistic well-being. Dedicated sessions were organized focusing on mindfulness, physical fitness, and mental clarity. Students, faculty, and staff participated in group yoga demonstrations, led by experienced instructors, emphasizing the profound importance of a balanced lifestyle. The event highlighted yoga's benefits in fostering a harmonious integration of body, mind, and spirit, contributing to overall well-being and stress reduction in our academic community.

**Swatch Andhra Swarna Andhra  
Program – June 21, 2025**

Continuing its consistent efforts, the Swatch Andhra Swarna Andhra Program was also conducted on this day, reinforcing our campus's commitment to cleanliness and sustainability. This parallel event underscored the idea that personal well-being is intrinsically linked with the well-being of our environment. Students and staff engaged in activities that promoted responsible waste management and campus beautification, demonstrating a collective dedication to maintaining a pristine and healthy living space. It was a day that truly intertwined the concepts of personal health and environmental responsibility.
