**DEPARTMENT OF
TECHNICAL EDUCATION**
GOVERNMENT OF ANDHRA PRADESH

Message by the Principal

Polytechnic institutions play a significant role in nurturing young talent and developing skilled engineering professionals who contribute to the technological advancement of society. At Government Polytechnic, Pillaripattu, we are committed to providing quality technical education and training in the disciplines of Computer Engineering, Electronics Engineering, Mechanical Engineering, and Civil Engineering.

**Sri. S.V. KUMAR, M.TECH.,
PRINCIPAL.**

Our objective is to equip students with the knowledge, practical skills, and professional competencies required to excel not only in production and supervisory positions but also in managerial and leadership roles. This is achieved through a strong emphasis on hands-on learning, technical proficiency, discipline, and dedicated effort, enabling our students to meet the evolving demands of industry and society.

At Government Polytechnic, Pillaripattu, we believe that education extends beyond the classroom, fostering continuous learning, innovation, and professional growth. We are committed to equipping students with the knowledge, skills, and creativity needed to meet modern engineering challenges and contribute meaningfully to society.

Through quality technical education and practical learning experiences, we empower our students to achieve excellence, embrace innovation, and build successful careers. We extend our best wishes to all students for a bright and prosperous future.

Editorial Committee

Sri. V.S. Dinesh, Lecturer in CME.

Ms. A. Jemimah, Lecturer in English.

Smt. G. Jyothi Lakshmi, Librarian.

Industrial Exposure Visit – ECIL Tirupati

The Department of Electronics and Communication Engineering (ECE), Government Polytechnic, Pillaripattu, organised an industrial visit to **ECIL – Tirupati Unit** on **08 January 2026** as an integral component of the Lead Sector Add-on Skill Course for second-year Diploma ECE students.

The visit was organised and accompanied by **Sri Durga Prasad Charakanam** and **Sri M. Mohan Vamsi**, Lecturers in ECE, who guided the students throughout the programme. A total of **49 students** participated and gained practical exposure to industrial practices, manufacturing processes, and quality assurance systems followed in a premier public sector enterprise.

Sankranthi Celebrations & Campus Recruitment

The institute observed **Sankranthi celebrations** on 09 January 2026, marking the harvest festival with enthusiasm and cultural activities. The same day also saw an important career-oriented event for students.

Sankranthi Celebrations

Students and staff celebrated Sankranthi on campus with traditional activities, fostering a sense of community and cultural pride among the institute community.

Campus Recruitment – Greentech Industries

Greentech Industries, Naidupet conducted a campus recruitment drive at the institute. This opportunity allowed students to interact directly with industry representatives and explore employment prospects in the manufacturing sector.

Tribute to Swami Vivekananda

On **12 January 2026**, the institute paid heartfelt tribute to **Swami Vivekananda** on the occasion of his birth anniversary. The event served as a reminder of his timeless teachings on self-confidence, service to humanity, and the pursuit of knowledge.

Students and faculty reflected on the ideals of Swami Vivekananda and drew inspiration from his life and philosophy, reinforcing the institute's commitment to holistic education and character building.

"Arise, awake, and stop not till the goal is reached." – Swami Vivekananda

Industry Connect

The institute continued its strong focus on industry-academia linkage with two significant events in the third week of January 2026, providing students with direct exposure to leading manufacturing companies and real placement opportunities.

Industry Connect – Brakes India

22 January 2026 – **Brakes India**, a renowned TVS Group company, visited the institute for an industry connect session. Students gained insights into the automotive components sector, quality standards, and career pathways in a leading multinational organisation.

Placement Drive & SASA- Zero Gap Sanitation

Placement Drive – Youngshin Automotives

23 January 2026 – Youngshin Automotives India Pvt Ltd, Sriperambadur, Chennai conducted a placement drive at the institute. The HR team interacted with students, assessed their technical competencies, and offered placement opportunities to eligible candidates.

On **24 January 2026**, the institute actively participated in the **Swachha Andhra Swarna Andhra** campaign with the theme **"Zero Gap Sanitation."** Students and staff came together to promote cleanliness and hygiene as part of the state's broader sanitation initiative.

Campus Cleanliness

Students undertook cleaning activities across the campus premises, ensuring a clean and healthy learning environment for all.

Awareness Drive

Awareness messages on sanitation and hygiene were shared, reinforcing the importance of community participation in maintaining cleanliness.

Collective Responsibility

The event underscored the institute's commitment to social responsibility and the role of every citizen in building a cleaner Andhra Pradesh.

NSS Volunteers at Tirumala – Ratha Saptami

On **25 January 2026**, on the auspicious occasion of **Ratha Saptami** at Tirumala, NSS students from Government Polytechnic, Pillaripattu, served as volunteers at the sacred shrine. The students contributed to crowd management and assisted pilgrims during the festival.

NSS Spirit of Service

The National Service Scheme (NSS) unit of the institute instils values of selfless service and civic responsibility. Participation at Tirumala provided students with a meaningful opportunity to serve the community at a significant religious event.

Ratha Saptami

Ratha Saptami is a sacred Hindu festival celebrated at Tirumala, marking the seventh day after the new moon in the month of Magha. Thousands of devotees visit the shrine on this day, making volunteer support essential for smooth conduct of the festivities.

Republic Day Celebrations

Government Polytechnic, Pillaripattu, celebrated **Republic Day** on **26 January 2026** with great enthusiasm and patriotic fervour. The occasion commemorates the adoption of the Constitution of India and serves as a reminder of the nation's democratic values.

→ Flag Unfurling Ceremony

The national flag was unfurling in the presence of students, faculty, and staff, marking the beginning of the Republic Day celebrations.

→ Commitment to Nation

The event concluded with a renewed commitment to contributing to the progress and development of the nation through education and service.

Placement Drive – TVS-INDEON Ltd

On 27 January 2026, TVS-INDEON Ltd, a prestigious Lucas-TVS Group company, conducted a placement drive at the institute. The HR team interviewed final-year students and issued **placement offer letters** to selected candidates, marking another successful industry-institute engagement.

Lucas-TVS Group Company

TVS-INDEON Ltd is part of the renowned Lucas-TVS Group, a trusted name in the automotive components industry.

Inter Polytechnic Sports & Games Meet (IPSGM 2025-26) – State Meet

Students and staff of Government Polytechnic, Pillaripattu, participated in the **Inter Polytechnic Sports and Games Meet (IPSGM – 2025-26) State Meet** held from **29 to 31 January 2026**. The event brought together polytechnic institutions from across the state for a spirited display of athletic talent and sportsmanship.

Competitive Spirit

Students competed in various sporting events, showcasing their athletic abilities and representing the institute at the state level.

Team Participation

Both students and staff actively participated, strengthening the bond between the institute community and promoting a culture of physical fitness.

State-Level Platform

The IPSGM State Meet provided a prestigious platform for students to compete against peers from other polytechnic institutions across Andhra Pradesh.

Participants in State Meet

Students

Boys – Magesh Babu (800mts, 1500mts)

Girls – Pavithra (High jump)

Staff

Men – Venkatesh L/CE & Moulali

L/Chemistry

(Badminton doubles)

Women – Jemimah L/English

(Table tennis Singles)

Happy Retirement – Sri A. C. Kishore Kumar Garu

The institute community extends its warmest wishes to **Sri A. C. Kishore Kumar Garu, Head of the Department of Mechanical Engineering**, on attaining superannuation. His dedicated service and leadership have been an inspiration to colleagues and students alike.

Thank you for your years of dedicated service, guidance, and commitment to the growth of Government Polytechnic, Pillaripattu. Your contributions to the Mechanical Engineering department and the institute will always be remembered with gratitude and respect.

🎓 Academic Leadership

Guided the Mechanical Engineering department with vision and dedication, shaping the careers of numerous students over the years.

👤 Mentorship

Served as a mentor to faculty and students, fostering a culture of excellence and continuous learning within the institute.

★ Lasting Legacy

His contributions to the institution will continue to inspire future generations of students and staff at Government Polytechnic, Pillaripattu.

POLYCET – 2026 Examination to be Conducted in Puttur & Nagari

Starting from this year, the POLYCET-2026 examination will be conducted at centres within Puttur and Nagari towns, announced by the Principal of Government Polytechnic, Pillarpattu, S V Kumar. Speaking with reporters on Saturday, he elaborated on the problems faced by students from Puttur and Nagari towns who previously had to travel to Tirupati and Satyavedu for the examination, often spending additional time, money, and effort on transportation and accommodation.

The decision is expected to significantly ease the burden on hundreds of diploma aspirants from the two towns and nearby rural areas, especially those from modest backgrounds who found the earlier travel arrangements challenging. By holding the exam closer to home, authorities aim to create a more accessible, student-friendly process that reduces stress before an important entrance examination and allows candidates to focus better on preparation and performance.

పుత్తూరు, నగరిలో పాలిసెట్ నిర్వహణ

పుత్తూరు, న్యూస్టుడే: పాలిసెట్-2026 పరీక్షను ఈ ఏడాది నుంచి పుత్తూరు, నగరిలోని పరీక్షా కేంద్రాల్లో నిర్వహించనున్నట్లు పిల్లారిపట్టు ప్రభుత్వ పాలిటెక్నిక్ ప్రిన్సిపల్ ఎస్వి కుమార్ పేర్కొన్నారు. శనివారం ఆయన విలేజరులతో మాట్లాడుతూ గత ఏడాది పుత్తూరు, నగరి పట్టణాలకు చెందిన విద్యార్థులు తిరుపతి, సత్యవేదుడు వెళ్లి పరీక్ష రాశారని, ఆ సమయంలో విద్యార్థులు సమస్యలు ఎదుర్కొన్నారని వివరించారు. దీంతో విద్యార్థుల సౌకర్యం కోసం పుత్తూరు, నగరి పట్టణాల్లోనే పరీక్షా కేంద్రాలను ఏర్పాటు చేయాలని సాంకేతిక విద్యాశాఖ ఉన్నతాధికారులకు వినతి చేసినట్లు పేర్కొన్నారు. ఈ మేరకు శనివారం స్టేట్ జోర్నల్ ఆఫ్ టెక్నికల్ ఎడ్యుకేషన్ అధికారులు నిర్వహించిన మీడియా కాన్ఫరెన్స్లో పుత్తూరు, నగరిలో పాలి సెట్-2026 నిర్వహించడానికి అనుమతి ఇచ్చారన్నారు.

Date : 08/02/2026 EditionName : ANDHRA PRADESH(CHITTOOR.) PageNo : 03

ఈ ఏడాది పాలిసెట్ పరీక్షలకు

పుత్తూరు, నగరి కేంద్రాలకు అనుమతి

పుత్తూరు, పిల్లవరీ(ఆంధ్రప్రదేశ్). ఈ ఏడాది పాలిసెట్ పరీక్షా కేంద్రాలు పుత్తూరు, నగరిలోనే నిర్వహిస్తుమని పుత్తూరు పాలిటెక్నిక్ కళాశాల ప్రిన్సిపల్ కుమార్ తెలిపారు. ఇప్పటి వరకు పుత్తూరులో కళాశాల ఉన్నా ఈ ప్రాంత విద్యార్థులు తిరుపతి, సత్యవేదు పరీక్షా కేంద్రాలకు వెళ్లాలి వచ్చేదని అన్నారు. సాంకేతిక విద్యాశాఖాధికారులు శనివారం నిర్వహించిన మీడియా కాన్ఫరెన్స్లో విద్యార్థుల ఇబ్బందులను భృష్టిలో ఉంచుకుని పరీక్ష కేంద్రాలను ఇక్కడే నిర్వహించాలని ప్రకటించారని వివరించారు. సాంకేతిక విద్యాశాఖ డైరెక్టర్ గజేష్ కుమార్కు కృతజ్ఞతలు తెలిపారు.

Source : <https://epaper.andhrajyothy.com>

This approval is being seen as a practical administrative step that could improve exam participation, reduce last-minute travel-related difficulties, and support a smoother examination experience overall. Local education stakeholders welcomed the move, noting that it may also encourage greater confidence among students preparing for technical courses, while reinforcing the importance of accessible educational opportunities in smaller towns.

Student Health & Safety Programmes

Guest Lecture on Road Safety Awareness

Delivered by **Sri. Chandrashekar Garu, MVI, Puttur**, this guest lecture was organized to strengthen students' understanding of road safety practices, traffic discipline, and responsible behaviour on public roads. The session emphasized the importance of wearing helmets and seat belts, following speed limits, respecting pedestrian crossings, and avoiding distractions while riding or driving.

The programme helped students develop greater awareness of preventive safety measures, improved their understanding of traffic rules, and reinforced the institution's commitment to building a culture of discipline, caution, and civic responsibility.

Distribution of Tablets

Deworming tablets were distributed to all **I-Year and II-Year students** as part of the institution's ongoing commitment to student health, hygiene, and well-being. The activity was carried out in an orderly manner with support from staff members, ensuring that all eligible students received the tablets in a safe and timely way.

Along with the distribution, students were informed about the importance of regular deworming in maintaining good health, improving concentration, and preventing common health issues that can affect day-to-day learning. Basic guidance on personal hygiene, clean eating habits, and preventive care was also shared to support long-term wellness.

This initiative contributed to a healthier campus environment and helped students better understand how small preventive health measures can support improved attendance, stronger academic focus, and overall well-being throughout the academic year.

Visit by Regional Joint Director Sri. Nirmal Kumar Priya Garu

The institution was honoured to host Sri. Nirmal Kumar Priya Garu, Regional Joint Director, for an important visit that reflected the college's continued commitment to academic quality, administrative discipline, and student development.

Records & Registers Verification

The Regional Joint Director carefully verified institutional records and registers, reviewing key documentation related to administration, academic processes, and compliance. His observations and instructions were shared with the officials to strengthen internal systems, ensure accuracy in record-keeping, and maintain the highest standards of institutional governance.

He also appreciated the orderly maintenance of records and emphasized the importance of regular updates, transparency, and accountability in supporting smooth academic and administrative functioning. The interaction served as a valuable reminder of the role that disciplined documentation plays in building a strong institutional culture.

Knowledge Sharing with Students

He shared his valuable knowledge and guidance with the First Year ECE students, inspiring them to pursue excellence in their technical education. During the interaction, students had the opportunity to listen to his practical insights, ask questions, and gain a clearer understanding of the expectations and opportunities in engineering education and professional life.

The session encouraged students to focus on developing strong fundamentals, maintaining academic consistency, and building confidence through continuous learning. His words of encouragement created a positive impact on the students, motivating them to stay committed to their goals and make the most of their academic journey.

Swachha Andhra Swarna Andhra & Jagruthi Competition

Swachha Andhra Swarna Andhra

Theme: Zero Litter Governance

Students and staff participated actively in the cleanliness drive, reinforcing the institution's commitment to environmental responsibility and civic duty. The programme encouraged everyone to take ownership of their surroundings, follow sustainable cleanliness practices, and understand the importance of collective action in building a healthier campus and community.

The initiative also created awareness about waste segregation, personal accountability, and the role of youth in supporting public hygiene. Through their enthusiastic involvement, participants demonstrated teamwork, discipline, and a shared commitment to maintaining a clean and greener environment.

Jagruthi Competition – RK Mission

Students participated in the Jagruthi Competition organised by the **RK Mission**, showcasing their awareness and engagement with social issues. The event provided a meaningful platform for students to express their ideas, strengthen their communication skills, and reflect on the responsibilities of informed and socially conscious citizenship.

Lab Upgrades & Placement Drive

New Calibration of Compression Testing Machine

A new **2000KN compression testing machine** was installed in the Civil Engineering Lab for the benefit of the students, significantly enhancing practical learning and hands-on experience in material testing. The upgraded equipment allows students to observe and understand the behaviour of construction materials under load, strengthening the connection between classroom theory and real-world engineering practice.

The installation is expected to improve the overall laboratory experience by giving students more opportunities to participate in supervised testing sessions, analyze results, and develop stronger technical confidence. It also reflects the institution's continued focus on upgrading infrastructure to meet academic and professional needs.

Placement Drive – RANE (Madras)

RANE (Madras) conducted a placement drive at the institution, providing students with valuable opportunities to explore career paths in the automotive and manufacturing sectors. The drive created direct interaction between students and recruiters, helping participants better understand industry expectations, skill requirements, and workplace roles. The event saw enthusiastic participation from eligible students who were eager to showcase their academic knowledge, communication skills, and technical aptitude. Through the recruitment process, students gained practical exposure to selection procedures and learned how to present themselves confidently in a professional setting.

Annual Day Celebrations

The institution celebrated its **Annual Day** with great enthusiasm, bringing together students, faculty, parents, and distinguished guests to commemorate the achievements of the academic year. The event served as a vibrant platform to recognize academic excellence, creative expression, leadership, and overall student growth across departments and year levels.

The program featured a series of cultural performances, including music, dance, and stage presentations that reflected the talent, confidence, and teamwork of the student community. Students actively participated in the celebrations, with many contributing through rehearsals, event coordination, and on-stage performances, making the occasion both memorable and meaningful.

Speeches and felicitation moments highlighted the institution's progress during the year, while awards and recognitions celebrated outstanding accomplishments in academics, extracurricular activities, and service. The event also reinforced important learning outcomes such as communication, collaboration, discipline, and event management, giving students valuable experience beyond the classroom.

Overall, the Annual Day created a strong sense of pride and belonging across the campus. It showcased the institution's commitment to holistic development and community spirit, while inspiring students to continue striving for excellence in the coming year.

Women's Day Celebrations

The institution marked **International Women's Day** with special celebrations honouring the contributions, leadership, and achievements of women across the campus community. The event brought together students, faculty members, and staff for a meaningful observance that highlighted the importance of gender equality, mutual respect, and shared progress. The programme featured inspiring addresses, cultural presentations, and interactive moments that encouraged reflection on the role of women in education, service, and social development. Participants shared experiences, recognized individual accomplishments, and celebrated the resilience, creativity, and dedication of women who continue to make a positive difference in academic and professional spaces.

Through the event, students gained valuable learning outcomes around confidence, inclusion, and empowerment, while staff and faculty reinforced the institution's commitment to creating a supportive environment for all. The celebration also served to strengthen community spirit, promote awareness of women's achievements, and encourage continued efforts toward opportunity, respect, and leadership for women in every sphere.

Awareness Programme on Child Marriage

An awareness programme on **Child Marriage** was organised by the **Women and Child Welfare Department, Collectorate Tirupati**, through the Women Protection Cell. The session was conducted to sensitise students to the serious legal, social, and emotional consequences of child marriage, while reinforcing the importance of education, protection, and equal opportunities for every child. Resource persons explained the provisions of the law, highlighted the role of families and communities in preventing child marriage, and discussed the long-term impact of early marriage on health, education, and personal development. Students were encouraged to seek help, speak up against harmful practices, and support awareness efforts within their own communities.

బాల్య వివాహాలకు దూరంగా ఉండాలి

పుత్తూరు: బాల్య వివాహాలు జీవితాలను చిన్నాభిన్నం చేస్తాయని, వాటికి దూరంగా ఉండాలని డిస్ట్రిక్ట్ మిషన్ శక్తి కో-ఆర్డినేటర్ కృష్ణమంజరి సూచించారు. అంతర్జాతీయ మహిళా దినోత్సవం సందర్భంగా ఐసీడిఎస్ ఆధ్వర్యంలో గురువారం స్థానిక పిళ్లారిపట్టు ప్రభుత్వ పాలి టెక్నిక్ కళాశాలలో బాల్య వివాహాలు-అనర్థాలు అనే అంశంపై అవగాహన సదస్సు నిర్వహించారు. ఆమె మాట్లాడుతూ యుక్త వయస్సులోని పిల్లలు మంచి ఆలోచనలతో ఉన్నత చదువులపై దృష్టి సారించాలన్నారు. 18 ఏళ్ల లోపు వారికి వివాహం చేస్తే చట్టరీత్యా నేరమని, అందుకు కఠిన శిక్షలు తప్పవని హెచ్చరించారు. కార్యక్రమంలో పుత్తూరు ఇన్‌చార్జ్ సీడీపీఓ సంద్య, జిల్లా లీగల్ అడ్వైజర్ రోజారాణి, కళాశాల ప్రిన్సిపల్ ఎస్వీకుమార్, చైల్డ్ ప్రొటెక్టర్ అరుణ, అంగన్వాడీ టీచర్ ధనమ్మ, బాను, వనిత, ఆశా వర్కర్ ధనలక్ష్మి, విద్యార్థులు పాల్గొన్నారు.

The event concluded with a strong message on empowerment, child rights, and social responsibility. It helped build awareness among students about available support systems and strengthened their understanding of how education and timely intervention can prevent child marriage and promote the welfare of children.

Visit to Kalyani Dam – Civil Engineering Field Trip

II Year Civil Engineering students visited the Kalyani Dam as part of their practical learning experience. The visit was accompanied by **Assistant Executive Engineer Sri. Sudeep Garu**, who provided valuable insights into dam engineering, structural safety, and water resource management. The field trip gave students an opportunity to observe the functional aspects of a major civil engineering asset in a real-world setting.

During the visit, students examined the dam's basic layout, construction features, and operational components, and learned how such structures support irrigation, water storage, and regulated release of water. The session also highlighted the importance of maintenance, monitoring, and engineering planning in ensuring the long-term performance and safety of infrastructure projects.

Practical Learning

Students gained firsthand exposure to civil engineering structures and infrastructure projects, helping them connect classroom concepts with field observations.

Expert Guidance

Accompanied by Assistant Executive Engineer Sri. Sudeep Garu for on-site learning, technical explanations, and discussion on dam operations.

Field Experience

The visit bridged classroom theory with real-world engineering applications, encouraging students to understand how design decisions affect performance and safety.

The field trip was especially valuable in strengthening students' understanding of hydraulic structures, water management systems, and the practical responsibilities of civil engineers. It also encouraged curiosity, observation skills, and professional awareness, while reinforcing the role of infrastructure in supporting communities and sustainable development.

Overall, the visit to Kalyani Dam was a meaningful academic experience that enriched technical knowledge, improved site-based learning, and inspired students to appreciate the scale and impact of civil engineering works in public service.

Industrial Visit to Southern Chips & Aaviza Electronics, Bengaluru

As part of its industry-academia connect, the institution organised an industrial visit to **Southern Chips** and **Aaviza Electronics** in Bengaluru on **12th March 2026**. The visit gave students and faculty direct exposure to modern semiconductor and electronics manufacturing.

At **Southern Chips**, participants observed chip fabrication, clean-room protocols, and quality testing. At **Aaviza Electronics**, they learned about PCB assembly, soldering, and final product testing through an interactive session with industry professionals.

The visit strengthened the link between classroom learning and real-world practice, helping students understand the skills and industry awareness needed for careers in electronics and semiconductors.

Job Achievers Day Celebrations

The institution celebrated **Job Achievers Day** on **24th March 2026** to honour students who secured jobs through campus placements and industry connections. The event highlighted the success of the institution's training and placement efforts.

Placed students were felicitated in a formal ceremony attended by faculty and leadership. Their success stories inspired younger students and reflected the value of consistent skill development and preparation.

Placement Success

Students who secured jobs were honoured on stage.

Inspiration for Peers

The event encouraged current students with real success stories.

Institutional Commitment

The celebration reinforced the focus on employability and industry-ready training.

పాలిటెక్నిక్‌లో ఘనంగా జాబ్ అచీవర్స్ డే

కంపెనీ ఆఫర్ లెటర్స్ అందుకున్న అభ్యర్థులతో ప్రిన్సిపాల్

షెత్తూరు: డిప్లొమా చదవడం ద్వారా ఉద్యోగ అవకాశాలు మెండుగా ఉన్నాయని ఎస్సీ/ఎస్టీ/ఎంసీ/బీసీ విభాగాలలో ఉన్నామని వెల్లడించారు. పాలిటెక్నిక్ కళాశాలలోనూ క్యాంపస్ సెలక్షన్స్ ఎక్కువగా జరుగుతున్నాయని, డిప్లొమా లేనివారికి ఉద్యోగాలు సాధించడానికి అవకాశాలు ఉన్నాయని వివరించారు. కళాశాలలో గ్రీనింగ్ అండ్ ఫ్లవేరింగ్ అవకాశాలు మెండుగా ఉన్నాయని వివరించారు. కార్యక్రమంలో కళాశాల ప్రధాన ప్రిన్సిపాల్ ఎస్.ఎం.ఎం. అసోసియేట్ ప్రొఫెసర్ వేదావతి, విభాగాధిపతులు, బాగ్ మాస్టర్లు, అధ్యాపకులు, విద్యార్థులు పాల్గొన్నారు.

Alumni Meet 2026

The institution organised its annual **Alumni Meet 2026** on **28th March 2026**, bringing together former students to reconnect with the institution, faculty, and fellow alumni. The event celebrated the lasting bond between the institution and its graduates.

Alumni shared their career journeys and reflected on the education and values that helped shape their success. The meet also gave current students valuable exposure to real-world experiences and career advice.

Reconnecting with Roots

Alumni returned to campus to reconnect with teachers and peers and revisit their student days.

Mentorship & Guidance

Panel discussions and informal conversations offered career insights and advice to current students.

Strengthening the Network

The meet reinforced alumni ties and opened opportunities for future collaboration and support.

Best Polytechnic Lecturer Award — ISTE

On 12th April 2026, a faculty member of the institution received the prestigious **Best Polytechnic Lecturer Award** from the **Indian Society for Technical Education (ISTE)**. The honour recognises excellence in teaching, student mentorship, and contribution to technical education.

The award ceremony was attended by senior academicians and ISTE representatives. The recipient was felicitated with a trophy and certificate, and highlighted the importance of student-centred teaching and continuous professional growth.

ISTE Recognition

Presented by a leading national body for technical educators.

Teaching Excellence

Acknowledges strong pedagogy, mentorship, and curriculum contribution.

Institutional Pride

A proud moment that reflects the institution's commitment to quality education.

శ్రీరామకృష్ణ జిల్లాలోని టెక్నాలజీలో జరిగిన ఇండియన్ సొసైటీ ఫర్ టెక్నికల్ ఎడ్యుకేషన్ ఏపీఎవార్డ్స్ వార్షిక సదస్సులో ఉత్తమ అధ్యాపకుడిగా

అవార్డు అందుకుంటున్న వెంకటేశ్

పుత్తూరు పట్టణ పరిధిలోని పిల్లరిపట్టు ప్రభుత్వ పాలిటెక్నిక్ కళాశాల సివిల్ ఇంజనీరింగ్ విభాగం అధ్యాపకులు వెంకటేశ్ను ఎంపిక చేసి అవార్డు అందజేశారని కళాశాల ప్రెసిడెంట్ ఎస్వీ కుమార్ శనివారం ఒక ప్రకటనలో తెలిపారు. ఈ అవార్డును అసంతపురంలోని జవహర్లాల్ నెహ్రూ సాంకేతిక విశ్వవిద్యాలయం పీసీ సుదర్శన్ చేతుల మీదుగా అందుకున్నారన్నారు. ఆయన మాట్లాడుతూ సివిల్ ఇంజనీరింగ్ అధ్యాపకుడిగా వెంకటేశ్ శ్రమ శిక్షణ, నిజాయితీ, కృషి, నవీన బోధన పద్ధతుల ద్వారా విద్యార్థులను ప్రోత్సహించడంతో ఆయన సేవలను గుర్తించి ఈ అవార్డు అందజేశారన్నారు.

This achievement inspires faculty and reinforces the institution's focus on excellence in teaching and learning.

Nari Sakthi Vandan Adhiniyam

On **13th April 2026**, the institution observed the **Nari Sakthi Vandan Adhiniyam** to recognise and celebrate the strength, resilience, and contributions of women. The event supported broader efforts toward women's empowerment, gender equality, and inclusive opportunities in education and leadership.

Students and faculty took part in awareness sessions, motivational talks, and discussions on women's rights and gender equity. Speakers encouraged young women to pursue technical and professional careers and highlighted the importance of an inclusive, supportive campus environment.

Women's Empowerment

The event highlighted the achievements of women and reinforced the importance of equal opportunity.

Awareness & Advocacy

Discussions focused on women's rights, gender equity, and the need for continued progress.

Institutional Support

The institution reaffirmed its commitment to an inclusive and safe environment for female students.

The observance ended with a call for all stakeholders to help build a more equitable and empowering society for women.

Inauguration of Drinking Water Connection from Moolakona

On **14th May 2026**, the institution inaugurated a **drinking water connection** supplied from **Moolakona**, improving access to safe and reliable water for the campus and nearby community.

The ceremony was attended by local officials and institution leadership. The project reflects a collaborative effort to strengthen essential water infrastructure and support the health and well-being of students and staff.

1

Infrastructure Development

Reliable water access now supports daily campus needs.

2

Health & Hygiene

Clean water helps maintain a safer, healthier environment.

3

Appreciation

Department of Civil Engineering for its dedicated efforts and successful coordination in obtaining the new water connection.

Industrial Visit to Sleeper Manufacturing Unit (SCR), Srikalahasti

On 25th May 2026, students and faculty visited the **Sleeper Manufacturing Unit** of the **South Central Railway (SCR)** at **Srikalahasti**. The visit offered a first-hand look at the production of railway sleepers, a key component of railway infrastructure.

The group observed the main stages of production, including raw material preparation, sleeper casting, curing, and quality testing. They also gained insight into the machinery used and the standards followed to ensure durability and reliability.

The visit connected classroom learning with industrial practice and highlighted the engineering effort behind India's railway network.

Industry Connect Visit to TVS-Indeon, Gummidipoondi

As part of the institution's **Industry Connect** initiative, students visited **TVS-Indeon** near **Gummidipoondi, Tamil Nadu**, on **26th May 2026**. The visit offered direct exposure to a modern automotive components manufacturing facility.

Observed the key stages of production, including machining, assembly, quality inspection, and packaging. Also learned about automation, lean manufacturing, and the precision standards used in the automotive industry.

TVS-Indeon representatives shared insights on company operations, career opportunities, and the skills needed for polytechnic graduates in the automotive sector.

International Yoga Day Celebrations

The institution celebrated **International Yoga Day** on **21st June** with enthusiastic participation from students, faculty, and staff. The day highlights the benefits of yoga for physical, mental, and spiritual well-being.

A yoga instructor led the session, guiding participants through asanas, pranayama, and meditation. The programme was inclusive and focused on stress relief, concentration, and overall health.

Asanas & Postures

Yoga postures improved flexibility, strength, and balance.

Pranayama

Breathing exercises supported calmness and mental clarity.

Meditation

Guided meditation concluded the session with focus and peace.

పరమార్థం, జూన్ 21 (ఆంధ్రప్రదేశ్): యోగాతో మానసిక, శారీరక ఆరోగ్యం చేరుకుంటుంది ఢిల్లీ కళాశాలలో ప్రస్తుతం సందర్భంగా పట్టణంలోని పారిశుధ్య, ఢిల్లీ కళాశాలలో ఆచార్యులు చేశారు. ఢిల్లీ కళాశాల అధ్యాపకులు కోటిశ్రీరావు, పారిశుధ్య, సుఖన, సరసింహను, పారిశుధ్య కళాశాలలో జరిగిన ప్రస్తుతం అమర్నాథ్, యోగా కిరీటాలు శైలం అధ్యాపకులు పాల్గొన్నారు.

The celebration was a success and reinforced the institution's commitment to student and staff wellness.
